SW-2.1 1800

2.1ch Speaker System with Thundering Bass

Genius introduces a new 2.1ch subwoofer speaker system, the SW-2.1 1800 for music aficionados. The wooden subwoofer with an elegant hair-line texture exudes a rich, deep, solid sound quality for excellent bass performance.

The SW-2.1 1800 has 45 watts of total output power. Especially made for balanced sound performance, the system has 3" satellites to deliver mid to high range frequencies. With prolonged sound conduction and a 6.5" subwoofer driver, the SW-2.1 1800 extends the sonic accuracy for the highest bass performance. There are also volume and bass controls with a green power LED on the side panel of the subwoofer for easy control and recognition.

The SW-2.1 1800 has an AUX in and headphone jack on the wired control pod for audio input from various mobile devices for personal enjoyment. In addition, there is a RCA to 3.5mm audio cable you can use for a TV or game console. The SW-2.1 1800 is ideal for listening to music, watching movies or playing games with a wide range of frequencies and enhanced bass.

▼Features & Benefits

6.5" High-efficiency Bass Driver

Wired control pod with headphone jack and AUX for easy access

▼Product Features
